

Indiana Department of Natural Resources / Division of Water

30 Day Public Notice Report

The Department of Natural Resources is providing this report to satisfy the requirements of the "Procedures Concerning Certain Licenses Act", IC 14-11-4, and its associated administrative rule, 312 IAC 2-3. The application files are available for public inspection at the Division of Water's office in Indianapolis. Please contact the Division's Technical Services Section at (317) 232-4160 or the toll free number 1-877-928-3755 to make an appointment for file review. Photocopies may be made for a nominal charge of \$0.10 per 8 1/2 " X 11" copy.

A pre-action public hearing on an application may be requested by filing a written petition with the Director, Division of Water:

Michael W. Neyer, P.E., Director
Division of Water
Room W264
402 West Washington Street
Indianapolis, Indiana 46204

For a petition to be considered valid it must:

1. Contain the typed or legibly printed name and complete mailing address of each petitioner;
2. Be signed by a minimum of 25 individuals who are at least 18 years old and either reside in the county where the project will take place or own real property within 1 mile of the project site;
3. Affirm that each signatory to the petition satisfies the requirements of item 2; and
4. Identify the application for which the public hearing is being requested either by the application # or the applicant's name and the project description.

A petition which does not meet these requirements will be considered invalid and the hearing request will not be granted.

A person may request that the Department provide written notice of its action on an application by filing a written request with:

Division of Water
Room W264
402 West Washington Street
Indianapolis, Indiana 46204

The request must identify the application by either the application # or the applicant's name and the project description.

Lake : Crooked Lake

Applicant : Sarah R Kaup
3405 West Sycamore Beach Road
ANGOLA, IN 46703-9061

Description : An addition to our seawall will be constructed across the front of the existing seawall frontage of the applicant along CrookedLake to deter shoreline erosion. The wall will consist of concrete which will be sloped on the lakeward side. It will be 32 inches high (same as the existing). The former owners built a "wadingpool"-a semi-circle, into the seawall, 11' across and 10' deep, which now is a trap for weeds and trash. We request a permit to fill in this area. The lakeward face of the wall will be legal shoreline. Details of the project are contained in information received electronically at the Division of Water on October 18, 2005.

Location : 3405 West Sycamore Beach Road
near Angola, Steuben Township, Steuben County
